

EuroExpert Core Curriculum for the Training of Experts

EuroExpert in its aims includes the development, promotion and convergence of and education in common ethical and professional standards for experts within the European Union, based upon the principles of high qualification. As part of this aim it has agreed a core curriculum for the training of expert witnesses. Experts are required to be "fit and proper" persons and both having and maintaining a high standard of technical knowledge and practical experience in their professional field. The curriculum is designed to enhance this.
